

## GIB SEA 37

### Specially designed for the navigation of cruise. Maximum capacity: 8 persons

---

The Gib Sea 37 is a candle boat made by Dufour, specially designed for the navigation of cruise, equipped with an auxiliary motor of sufficient power and with the most modern systems of comfort and security.

Although in his design there are prime parameters like the quality of finished his, the comfort, and the security, his almost twelve meters of length (37 feet) and their excellent keel, next to their vélica surface, allow to this boat an important versatility at the time of choosing the type of navigation to develop.

Next to it, it counts on a complete equipment of series, auxiliary boat, bimini awning, automatic pilot, tridates, wind equipment, shipper of batteries, set of dishes and menaje.
